MESSAGE: LONGING FOR GREATNESS (LUKE 22:24-30)

ANNOUNCEMENTS & RESOURCES

Community & Personal Needs

Please encourage your connection group to share any needs they may have or know of in the community; come alongside those needs as a Connection Group. If more support is needed, please fill out the 'Covid-19 Assistance Request' form <https://wellspringchurchsc.churchcenter.com/people/forms/118059>

Loving Our Neighbors

Also, attached is a way we can love our neighbors who are most vulnerable during this time and/or in need of some extra help. Print it out and share as God leads you. If you don't have a printer at home, stop by our office (1117 Wiliam St.) and pick some up in a container by our front door. Gospel opportunities are all around us. Let's keep being a family on mission.. even if it looks a little different!
